

Coupling eyepiece with adapter

Coupling adapter attached eyepiece with DV camcorder (Panasonic NV-C7 DV camcorder)

NV-C7 has 37mm screw threads, therefore adapter attached eyepiece can be directly screw on its threads.

Coupling adapter attached eyepiece with digital camera (DSC-F717 digital camera)

DSC-F717 has 56mm screw threads, therefore a 56mm-37mm adapter ring is also required.

Coupling adapter attached eyepiece with digital camera (Nikon Coolpix 5000)

Coolpix 5000 has 46mm screw threads, therefore a 46mm-52mm adapter tube and a 52mm-37mm adapter ring are also required.
